# A Taste of the Fjords

London Tilbury - Rotterdam - Bergen - Flam - Stavanger

16 - 23 May 2024

Take in some of the most stunning vistas on earth as you sail through Norway's charming fjords on 'great value cruise ship'\* **Ambience**, Ambassador Cruise Lines' premier vessel. Become immersed in the colourful city of Bergen, with its lofty mountains and bustling fish market, before a sojourn in unspoilt Flam. This historic village is a gateway to the Sognefjord and the Aurlandsfjord, which are sure to take your breath away. Then, onto Stavanger where the endlessly picturesque Boknafjord awaits.

All this will be combined with daily singing and/or musical appreciation groups led by our very own **Bob Porter**. So this year there'll be Brandenburg activities for singers and non-singers alike.
