JOINT REHEARSAL – WCS & Streatham Choral Society Saturday 13th October 2007 0930-1300 Emanuel School, Battersea Rise, London SW11 1HS

This is an important rehearsal for the 24th November concert as it will determine the rest of the rehearsal schedule between now and concert day for both choirs. The session is only for the morning of Saturday so as to minimise the impact on you for the rest of the day. Please make every effort to be there.

The school is on Battersea Rise, sandwiched between two railway lines. For those with satellite navigation the postcode is **SW11 1HS** and the location is shown below:

The site entrance is rather awkward but is on the bridge over the railway where the **A3** is shown on the map. The nearest rail station is Clapham Junction, a quarter of a mile away. Buses 219 (from Wimbledon) and 77 (Tooting) go past the grounds entrance. Buses 37, 39, 156, 170 & 337 go past Clapham Junction station, with the 337 continuing on to Bolingbroke Grove, just a few minutes' walk from the grounds. Buses from Streatham which stop near the junction of Northcote Road with Battersea Rise are the G1 and the 319.

Any problems on the day getting there, please call Neil on 0772 003 7914.

The sessions will take place in the main school hall next to the playing fields and also in the music hall. Directions will be given when you are there.
